ALBA CERVANTES MENÉNDEZ

Mathematics & Computer Science Student

San Sebastián de los Reyes, Madrid, Spain | +34 611 485 336 | albaacervantes25@gmail.com | LinkedIn: www.linkedin.com/in/alba-cervantes-menéndez-b14533316

PROFILE

Motivated Mathematics and Computer Science student with a strong analytical mindset and a genuine passion for continuous learning. Adapts quickly to new challenges, combines technical rigor with creativity, and thrives in collaborative environments where ideas are turned into results. Recognized for a strong work ethic, reliability, and a proven ability to explain complex concepts clearly.

EDUCATION

B.Sc. in Mathematics and Computer Science (Double Degree) Sep 2023 – Present

Universidad Complutense de Madrid, Madrid

Pursuing a rigorous dual degree connecting theoretical foundations with applied software development. Focused on developing strong logical reasoning and problem-solving skills, with a particular interest in applying mathematical thinking to technology and computer science.

Academic Exchange Programme 2018

St Edmund's School, Canterbury, United Kingdom

- Took part in a full-immersion academic exchange, studying alongside local students and strengthening fluency and confidence in English.
- Member of the school hockey team, developing teamwork and discipline through regular training and matches.
- Active member of the Art Club, further developing creative and artistic skills.

High School Diploma, STEM Track Sep 2009 – May 2023

Trinity College, San Sebastián de los Reyes, Madrid

Completed the full academic track at Trinity College, building a solid foundation across sciences and mathematics that prepared her for university-level study.

COMPLEMENTARY TRAINING

AI Impact Programme 2025

Telefónica

Completed a programme exploring the real-world impact of artificial intelligence, culminating in a team project that designed an AI-based solution to optimize waste collection routes and efficiency.

PIM — Introduction to Mathematical Research Programme 2022

Instituto de Ciencias Matemáticas (ICMAT), Madrid

Completed a selective introductory research programme in mathematics, gaining early exposure to research methodology and advanced mathematical topics beyond the standard curriculum.

Mathematics Summer Camp 2022

Universidad Autónoma de Madrid

Selected as one of only 20 participants nationwide for this highly competitive mathematics enrichment camp, working on advanced problem-solving alongside top-performing peers.

WORK EXPERIENCE

Private Tutor — Mathematics & Physics Mar 2021 – Present

Freelance, San Sebastián de los Reyes, Madrid

- Deliver one-on-one tutoring in Mathematics and Physics to secondary school students, tailoring teaching methods to each student's pace and learning style.
- Design structured, calm approaches to breaking down complex topics, helping students build confidence and successfully pass their exams.
- Have supported students consistently since age 15, reflecting strong communication skills, patience, and reliability.

ACHIEVEMENTS

- Graduated with Highest Honors (Matrícula de Honor) — Trinity College (2023).
- Ranked in the Top 100 highest scores in the EvAU University Entrance Exam — Community of Madrid (2023).
- Recipient of the Academic Excellence Award — Community of Madrid (2024).

VOLUNTEERING

- Volunteer, Papal Visit to Madrid (2025) — supported the organization and coordination of the visit.
- Volunteer, Food Bank Collection Drive (2022) — helped collect, sort, and distribute food donations.

SKILLS & LANGUAGES

- Problem Solving & Analytical Thinking
- Teamwork & Collaboration
- Fast Learner & Adaptability
- Artistic & Creative Skills

Programming: C++, RISC-V, Java, R, MATLAB

Spanish — Native

English — C2 (Proficient)

German — B1 (Intermediate)
